6 I'm looking for somebody with a spot on the floor somewhere close in D.C.. Finally talked the woman to letting me fly there from Portland for as long as it takes. Not wanting to end up on the street. I just don't have funds for a room. I heard they might have tents and I'm ok with that but with everything going on I can't risk being just trying to figure it out on the fly. Any leads would help thanks

Problem is # associated with it. When they call me to verify it goes to voip phone, and it doesn't recognize # responses when the dial bot calls me.

3 Whoopie. We'll put in some of the government cash!

▼ Don't forget to go prepared. DC mayor is trying to close restaurants, hotel to discourage attendance. So go, if you can. Ask for help if you need it. GO!
